Sir,

Sub: Declaration of Vessel's draft in PCS - Reg.

This is to inform that at times the steamer agents are not declaring the vessel's draft correctly in the PCS/documents. Wrong Declaration of Ship's draft and other ship's particulars will lead to difficulty in planning and executing shipping operations in a safe manner.

In view of the above, it is hereby requested to instruct all steamer Agents to declare the vessel's draft correctly in the PCS domain to enable safe shipping operations.
